YES, I would like to become a member of the Queen Fan-Club Germany and have attached the subscription for within Germany of 20,00 EURO as nonnegotiable cheque of a German bank or cash.
Rest of the world it's 25,00 EURO.

The subscription secures me the membership for three issues along with the latest news on QUEEN.

(The frequency of the Fan-Mail is 4-6 months, this leads to a duration of approx. 12 - 18 months per contribution. After this you have to extend if you want to be a member. The membership will not be extended automatically, but you will be notified early enough.)

Please print this whole form out clearly and send it with your subscription
(Attention please: from outside Germany only cash possible !) to:
QUEEN Fan-Club Germany, Postfach 20 13 37, 20203 Hamburg, Germany
